Daily Lane Closures on Ogden Avenue over Cress Creek

CHICAGO – The Illinois Department of Transportation (IDOT) announced that daily lane closures will take place on Ogden Avenue (U.S. 34) between Royal Street/George Drive and Benedetti Drive, in Naperville, beginning, weather permitting, Monday, May 1. The closures are necessary to make repairs to the box culvert on U.S. 34 over Cress Creek.

In order to complete the work, daytime lane closures will take place on Ogden Avenue between Royal Street/George Drive and Benedetti Drive while construction activities are taking place.

The repairs are expected to be completed in Summer 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
